PROFILE

BSc (Hons) Information Technology undergraduate passionate about software development and AI engineering. Skilled in programming and problem solving, with a strong eagerness to learn new technologies and contribute to real world projects. Motivated to gain hands on experience and grow both technically and professionally.

EDUCATION

BSc (Hons) Information Technology	2023 - Present
Open University of Sri Lanka, Nawala	
G.C.E. (Advance Level) Examination	2021(2022)
Vishaka Balika Vidyalaya, Sapugaskanda	
G.C.E. (Ordinary Level) Examination	2018
Vishaka Balika Vidyalaya, Sapugaskanda	

PROJECTS

University Navigation System (AI Mini Project - Prolog)	2025
Built an AI-based university navigation system using Prolog, modeling university locations as a weighted graph. Implemented BFS, DFS, and A* search algorithms for optimal pathfinding with dynamic cost evaluation. Developed recursive predicates for efficient route discovery and integrated an interactive GUI for user-friendly navigation	
AI Book Finder Expert System (Group Mini Project - Prolog)	2025
Built a knowledge-based expert system to recommend books using logical inference and user preferences such as category, genre, and release year. Implemented dynamic book database management and user interaction in Prolog.	
Student Marks Management System (Group Mini Project - Java)	2024
Developed a console-based application to record, manage, and analyze student marks. Implemented features to add/edit/view student marks, find the top student, and perform subject wise analysis. Used arrays, loops, conditional statements, and exception handling.	

PROFESSIONAL CERTIFICATIONS

- Short course in Professional Computer Applications (OUSL-2022-2023)
 - Python for Beginners (CODL-UOM)
 - Introduction to Java (Sololearn)
 - Build a free website with WordPress (Coursera)
 - Introduction to Cryptography (Wolfram U)
 - Google Ads for Beginners (Coursera)
 - Oracle Cloud Infrastructure AI Foundation
-

TEACHNICAL SKILLS

- **Programming Languages** : Java, JavaScript, Python, Prolog
- **Web Development** : HTML, CSS, Bootstrap
- **Database** : SQL
- **Software Development Concepts** : Object-Oriented Programming (OOP)
- **Design & UI/UX Tools** : Canva, Adobe Photoshop, Adobe Illustrator, Figma

SOFT SKILLS

- Creativity
- Fast Learner
- Willingness to Learn
- Time Management
- Adaptability
- Teamwork
- Leadership
- Communication
- Problem Solving

ACHIEVEMENTS AND CO CURRICULAR ACTIVITIES

- Dean's List - Recognized for academic excellence in BSc Information Technology in 2023 and 2024.
- Scout Leader Progressive Training (Phase 1) - Successfully completed, demonstrating leadership and scouting skills. | 2025
- Member - iTeam of OUSL | 2024 - Present
- Senior Member - Student Parliament of Vishaka Balika Vidyalaya | 2017
- Senior Member - ICT Club of Vishaka Balika Vidyalaya | 2017-2021
- Senior Member - Science Association of Vishaka Balika Vidyalaya | 2019-2021

DECLARATION

I hereby declare that the information provided in this CV is true and accurate to the best of my knowledge.
